

## SPINE INTERVENTION SOCIETY (SIS)

### DISCLOSURE AND CONFLICT OF INTEREST MITIGATION STATEMENT Spine Intervention Society 2021 Annual Meeting (Online) PLANNER/MODERATOR/SPEAKER

The Spine Intervention Society is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education to physicians. The society strives to ensure evidence-based, scientific rigor, independence, and objectivity of all its educational activities. All persons who are in a position to control content are **REQUIRED** to disclose to the learners any financial relationship(s) with ineligible companies\*, including the name and nature of the relationship with the ineligible company, or disclose they have no financial relationships with ineligible companies. Refusal to disclose will result in disqualification of the volunteer from any planning, development, management, presentation, or evaluation of the CME activity. Those listed below have completed and signed full disclosure surveys that are on file with the SIS Education Division (ED). The ED leadership has reviewed the disclosures and mitigated any potential financial conflicts with ineligible companies.
